**Party Scammers CLASH OF THE TETRIS  
OFFICIAL RULES - 4/07**

---

For each match two (2) players simultaneously compete for the most points. Points are awarded at the end of each round for the highest score (2 points) and for the most lines completed (1 point). The player with the most points at the end of two (2) rounds wins. In the case of a tie, a third round is played.

All games are played on an NES compatible system using Tengen Tetris set at Level 9 and Handicap 0. After each round, the game system is reset.
